PREMIUM CHARDONNAY AND PINOT NOIR

Plus Gift of 2 bottles of Jansz Premium NV Bubbly!

The Vine Press specializes in small family owned fine wine producers and select wines for our customers they won't necessarily find

in retail outlets. Our aim is to help our customers discover wines of exceptional quality and value. Let us bring you the extraordinary, not the ordinary!

To show you what we are all about, we'd like to introduce PSLnet® members to one of our favourite boutique producers, Caledonia Australis.

Caledonia Australis hails from the cool climate of Gippsland in Victoria which shares similar growing conditions to Burgundy in France. It's not surprising then that these guys specialise only in Chardonnay and Pinot Noir. Their wines are highly regarded and awarded.

James Halliday, Australia's most respected wine authority rated the vineyard 5 stars: "Outstanding winery capable of producing wines of very high quality."

For PSLnet® members we have put together a mix of their two great labels at an exclusive, unbeatable price.

We call it our **Caledonia Tasting Mix**. You will receive 3 bottles each of the Caledonia Australis Chardonnay '03 and 3 bottles Pinot Noir '05 and 2 bottles of Mount Macleod Chardonnay '05 and 2 bottles Pinot Noir '04.

With our compliments, we are including 2 bottles of Jansz Premium NV (Valued at \$54). Normal retail price is \$310 but for PSLnet® Members our price is only \$199*, saving you \$111! Stock is limited and 100% quality guaranteed.

To order the **Caledonia Tasting Mix** with 2 bonus bottles of Jansz, read tasting notes and view freight details, simply go to PSLnet® at www.pslnet.com.au
